

AGREEMENT

Parent Agreement Synchro St. Louis – Metro Edge FSC Team 2007-08

The Parent AGREEMENT must be signed and returned to Joan Wise before your skater will be officially on a team.

As a parent of _____ a skater on the Synchro St. Louis – Metro Edge FSC
Name of Skater

_____ Synchronized Skating Team, I _____, agree:

Team Name: Edge, Blades, Brackets, Spirals,
 Rockers, Swizzles or Toe Picks

(parent's name---please print here -
 and sign your name below the pledge.)

To completely read and follow the Synchro St. Louis – Metro Edge Policies and Guidelines 2007-08 and

- ☞ To be an ambassador of Good Will--to teach my child good sportsmanship in success, failure and everything in between.
- ☞ To support the team under all circumstances
- ☞ To be loyal to my athlete's team and the Synchro St Louis—Metro Edge Program
- ☞ To understand the season long commitment to the team and make sure my child follows through with that commitment.
- ☞ To make my team payments on time. Even though the Synchro program of the MEFSC is dividing the season cost into monthly payments, I understand I am entering into a season long commitment—August 2007 – April 2008. I can pay the full amount in one lump sum before September 8, 2007 and receive a discount. If my skater decides to leave the program, I am responsible for the season-long financial obligation and any resulting charges incurred to recover the unpaid balance. The monthly amount for my team is outlined below and detailed in the Policy and Guidelines.
- ☞ To participate in the Required Fundraising Event(s) or opt to buy out for \$100
- ☞ To allow video or digital pictures of my athlete participating in Synchro St. Louis - MEFSC events to be used for promotional purposes – such as, on the web site, in a brochure, on a promotional video, etc.
- ☞ To respect the decisions of the coach. The coach is a hired professional. I will support and respect her decisions and demonstrate this to my child.
- ☞ To support the coach in carrying out her decisions
- ☞ To understand that being a member of a team is different than being a singles skater and help my child to understand and appreciate those differences.
- ☞ To understand some individual decision-making authority will be yielded in the interest of the team
- ☞ To thoughtfully and carefully complete the coach's evaluation form at the end of the year
- ☞ To commit to enrolling my skater in the appropriate Synchro lessons offered specifically for my synchro team at the Webster Rink in the Learn to Skate program.
- ☞ To commit to providing private lessons for my athlete
- ☞ To commit to passing the Moves in the Field test as it is required for my skater's team and to prepare for the future by continuing to work on the Moves in the Field required by the team above my skater.

 signature of mother or guardian date: _____

 signature of father or guardian date: _____

email address of parent --- This is very important for communications throughout the season
