ISI Test Level

Skaters will only be allowed to register for events they are eligible for based on their submitted ISI test level. It is VERY important to ensure that all current ISI test levels have been turned into ISI by your skater's coach **prior** to registering for this competition.

The Metro Edge FSC reserves the right to combine events, divide events, or reclassify participants where numbers of entries warrant such action.

Individual/Partner Event Registration

When registering your skater for an individual and/or partner event, select the "Skaters and Parents" button to login to the [Meet Me in St. Louis Figure Skating Competition ENTRYEEZE Registration System](#). You will be prompted to create an account by entering your skater's ISI number. Next, you will need to fill in your skater's personal information and ISI Test Levels. The system will provide you with a 4-Digit PIN Number. You will be given the option to change the PIN Number. Write down the PIN number in your records so you can login to the Meet Me Competition registration website at a later time to edit your cart, upload music, and order merchandise/good luck ads. Next you will be prompted to register for your desired event(s). It is very important you use your skater's ISI Number to register with Meet Me. This will allow the competition volunteers to confirm your skater's current test level prior to the competition.

If applicable, you will need to enter the name and ISI number of the partner at the time of registration. **BOTH** partners for each partner event will need to login to ENTRYEEZE and register.

Team Event Registration (Synchro Teams Registered with ISI)

When registering for a team event, a separate ISI Number and login is required for each team. Select the "Team" button from the Meet Me in St. Louis Figure Skating Competition ENTRYEEZE Registration System. You will be prompted to create an account by entering your team's ISI number. ENTRYEEZE will provide you with a 4-Digit PIN Number. Write down the PIN number in your records so you can login to the Meet Me Competition registration website at a later time to edit your cart, upload music, and order merchandise/good luck ads. **ONLY** the team contact needs to register for a team event (team members **DO NOT** need to login separately and register for team events).
